Dear Bob and Barbara,

Having read through *Our Lady of Good Counsel Handbook*, received March 19, 1998, I wish to encourage you and those families associated with you, to fulfill your role as "primary educators of your children" according to the guidelines contained in this handbook. This, I am sure, will provide for the students an integral education whereas many today are being deprived of the necessary elements of the faith. Your handbook is itself a good resource on Catholic Home Schooling.

May Our Lady of Good Counsel, guide and direct this good work begun in you.

Sincerely yours in Christ and Saint Francis,

Fr. Joseph M. Wolfe, M.F.V.A.
